

PLATFORM AGREEMENT

- Orenda FS B.V., a company incorporated in the Netherlands (Chamber of Commerce (KVK) registration number 95349529), authorised and regulated by De Nederlandsche Bank as an Electronic Money Institution (relation number DNB: R199952), with registered office at Joop Geesinkweg 201, 1114 AB Amsterdam-Duivendrecht, the Netherlands ("Orenda"); and
- The Client, that enters into this Agreement to use the technology platform (the "Platform"), provided by Orenda.

Each a "Party" and together, the "Parties".

1. Background

1.1. Orenda provides the "Platform" to clients for access to payment products and services.

1.2. The Client has independently entered into terms and conditions with the relevant licensed Electronic Money Institution (the "Issuer") for access to regulated financial products such as e-money accounts and payment cards.

1.3. This Agreement governs the Client's use of the Platform and associated services provided by Orenda.

1.4. For the avoidance of doubt, Orenda's role under this Agreement is strictly limited to that of technology Platform provider. This applies equally whether the Issuer is a separate Orenda group entity or is Orenda itself. Where Orenda itself holds a licence or authorisation to act as an Electronic Money Institution or other regulated payment services provider, the Client acknowledges that it enters into two separate agreements with Orenda, in two separate capacities: (a) this Agreement, under which Orenda acts solely as Platform provider; and (b) separate terms and conditions for the regulated e-money account and/or card services, under which Orenda acts solely as Issuer. Each agreement is to be construed and performed independently of the other. Rights, obligations, liabilities, fees, and remedies arising under this Agreement shall not be aggregated, combined, or set off against those arising under the Issuer terms, and vice versa, except as expressly permitted by Applicable Law. Nothing in this clause 1.4 limits any liability that cannot lawfully be excluded or limited, including liability arising from Orenda's conduct as a regulated Issuer under Applicable Law.
